

EAHEA SERVICE FEES

As a not-for-profit membership organization (association), we are sustained by fees. We must remain sustainable and responsibly manage our finances. Financial sustainability means we can keep the organization afloat and keep our dedicated service to scholarly communications running.

All fees are in "Euro" currency, non-refundable (except for some cases), due in full, and must pay with a Credit/Debit Card or Bank/Wire Transfer. Partial payments or installments are not accepted. We use the World Bank Country Income Classification in determining the service fees. The fees in this document are basic fees (for high-income countries), please contact the EAHEA for country-based discount rates.
